### A. Short-listing for Personal Interview (PI) and Written Ability Test (WAT)

#### Candidates eligible to be considered for PI and WAT

Short-listing for PI and WAT comprises candidates achieving the minimum section-wise and overall percentile in CAT 2016 as per Table 1 below:

**Table 1: Minimum Percentile for short-listing the candidates for PI and WAT stage**

| Category | Section – I<br>Verbal Ability<br>(VA) | Section – II<br>Data Interpretation &<br>Logical Reasoning<br>(DILR) | Section – III<br>Quantitative<br>Ability<br>(QA) | Overall |
|----------|---------------------------------------|--|--|---------|
| OPEN     | ≥ 80                                  | ≥ 80   | ≥ 80   | ≥ 90    |
| NC-OBC   | ≥ 55                                  | ≥ 55   | ≥ 55   | ≥ 75    |
| SC       | ≥ 50                                  | ≥ 50   | ≥ 50   | ≥ 55    |
| ST       | ≥ 30                                  | ≥ 30   | ≥ 30   | ≥ 35    |
| DA       | ≥ 30                                  | ≥ 30   | ≥ 30   | ≥ 35    |

Candidates securing the above mentioned minimum percentile in each category in CAT 2016 will only be considered for calculation of their composite score in Part B (described below). Please note that the actual section-wise and overall percentile of a short-listed candidate may be much higher than the above mentioned minimum percentile.
