SUMMER INTERNSHIP REPORT

BATCH 2018-20

Introduction

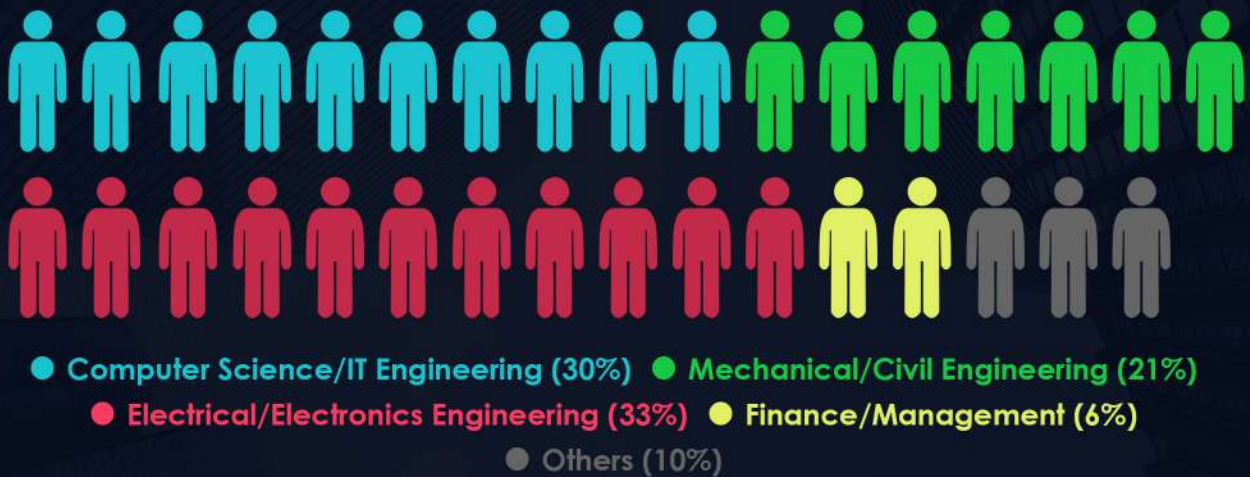

Indian Institute of Management Bodh Gaya is proud to announce the successful completion of the Summer Placement season of 2018-19. The fourth batch of IIM Bodh Gaya participated in the summer placements this year, and as per the tradition, registered a 100% placement, living up to its IIM brand.

2018-19 was a landmark year for IIM Bodh Gaya seeing its largest batch so far, and while the senior batches are busy creating a name for their own, the 4th batch successfully lived up to the legacy of success and impressed upon several prominent, both old and new, recruiters, who gave a record number of offers this year. We wish the batch a successful internship experience and hope that they continue moving forward on the same path!
