# SEP TESTIMONIALS

## Lavanya 09 Batch, Polimi GSOM, Italy

"My exchange experience at Polimi GSoM was truly enriching. I had the chance to meet and learn from students from around the world, which gave me new perspectives both academically and culturally. I also got to present ideas to top companies like Kering, Vodafone, and Fastweb—an experience that really boosted my confidence and professional skills. The cultural exchange, travel opportunities, and friendships I made along the way made this journey unforgettable. I'm grateful for the experience and highly recommend it to others!"

## Sumit Chaurasiya 09 Batch, Turiba University, Latvia

"At first, I saw SEP as just an escape — and honestly, it was. But it also turned out to be so much more. Through the program, I experienced different styles of studying, explored new cultures, and made meaningful connections. It was eye-opening to see how different some practices were, yet how similar others felt. SEP gave me a whole new perspective, both academically and personally." The student exchange program in Latvia played a crucial role in my personal growth, boosting my cultural awareness, independence, and global outlook. It expanded my academic knowledge and improved my interpersonal skills by immersing me in diverse settings. I sincerely thank IIM Bodh Gaya for offering me this amazing opportunity.

## Anshul Sharma 09 Batch, GSoM St. Petersburg Uni, Russia

"This experience has been nothing short of transformative. Saint Petersburg is a beautiful city with equally beautiful people. I've had the chance to meet fellow students from across the globe, attend memorable events, explore iconic places, and even interact with inspiring business leaders. Beyond academics, this journey has given me deep insights into Russian culture — from learning everyday Russian words to embracing local traditions. One of the most enriching parts has been peer learning — engaging with people from diverse backgrounds, listening to their life stories, and gaining new perspectives. Grateful for the experience so far, and excited for what's yet to come!"
