

FINAL PLACEMENT

MBA BATCH 09 (2023-2025)

MBA-DBM BATCH 01 (2023-2025)

MBA-HHM BATCH 01 (2023-2025)

AUDITED REPORT

Ref: B2K/IIMBG/MUM/RB/0001/2025-26

November 20, 2025

**The Chairperson
Placement
Indian Institute of Management Bodh Gaya,
Uruvela, Prabandh Vihar,
Bodh Gaya,
Bihar – 824234**

Dear Sir,

Re: Audit of Final Placement Report for the batch 2023-25 of Master of Business Administration (MBA), Master of Business Administration-Digital Business Management (MBA-DBM), Master of Business Administration-Hospital & Healthcare Management (MBA-HHM)

We have audited the data related to remuneration, function & location as presented in the Placement Report prepared by IIM Bodh Gaya for the final placement (based on the offers received on campus) for the batch of Master of Business Administration of Indian Institute of Management Bodh Gaya (IIM Bodh Gaya) for 2023-25.

The preparation of the Placement Report is the responsibility of IIM Bodh Gaya. Our responsibility is to validate the information related to remuneration, function & location provided in the report with the relevant documentation and comment on the conformance of those with the Indian Placement Reporting Standards (IPRS) Revision 2.2.

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations, which, to the best of our knowledge and belief, were necessary. In our opinion, the data related to remuneration, function & location as presented in the Placement Report complies with the Indian Placement Reporting Standards Revision 2.2.
2. The validation of information presented in the report is based on communication received by IIM Bodh Gaya from recruiting companies. B2K Analytics (formerly known as Brickworks Analytics) has not independently sourced any information or documentation from the recruiters.
3. We have verified the information with respect to job location, function and remuneration presented in the report with communication received from recruiters by IIM Bodh Gaya.
 - a. The information has been categorised as best as possible under different salary heads as given in the IPRS Revision 2.2; where a break-up was not available, the salary has been considered only as 'Maximum Earning Potential'.
 - b. The data points mentioned under different salary heads are representative of aggregate salary components offered to the candidates.
 - c. Stock Options/ESPP have been mentioned for some students with details on the amount to be vested in the first year. Hence, the corresponding amount has been considered for the calculation of the 'Maximum Earning Potential'. In absence of information on the vesting schedule, 25% of the ESOP value has been assumed to be vested in the first year of employment.

P: +91 80 4040 9950 | E: info@b2kanalytics.com | www.b2kanalytics.com

- d. Long-Term benefits like ESOPs (vested after the first year), retention bonus and any other long-term benefit to be paid after the first year have not been considered for the calculation of 'Maximum Earning Potential'.
 - e. We have considered the amount of gratuity in the calculation of MEP, as has been considered by the recruiters in their offers, even though it is payable after five years of continuous service, as this amount was not separately available for all the candidates.
 - f. It was noted that one-time cash payments, such as joining, retention or relocation bonuses, were granted only to certain students. Accordingly, the statistics for one-time cash payments have been calculated based solely on those students who received such payments.
 - g. Verification of the one-time cash component for 20 students was carried out based on computer-generated offer letters, which were not manually signed. The authenticity of these offer letters has been confirmed through a written undertaking obtained from IIM Bodh Gaya.
 - h. Offer letters of four students provided by the institute were not signed. A declaration to this effect has been obtained from IIM Bodh Gaya.
 - i. The function details for one student could not be ascertained from the supporting documentation provided. Accordingly, the function for this student has been considered based on information furnished by IIM Bodh Gaya and supported by a written undertaking from the Placement Chair.
 - j. For six students, the detailed salary breakup could not be verified from the documents made available. An undertaking has been obtained from IIM Bodh Gaya confirming the accuracy of the salary breakup for these students.
 - k. The offer letter for one student was not available for verification. The employment details of the said student have been confirmed by the institute through a written undertaking.
 - l. In certain cases, location for some students could not be verified as the offer letters did not mention the work location or the location was to be determined post-joining. Accordingly, based on the Institute's confirmation, such students placed within India have been classified under '**PAN India**'
4. The acceptance of offers and the number of students opting out of the placement process has been established through written communication by IIM Bodh Gaya.
 5. We have only audited the data related to remuneration, function & location (Pg. nos. 12 to 47) in the Placement report and not the placement highlights section or any additional information presented in the report.

Best Regards,

Ritaban Basu

MESSAGE FROM CHAIRPERSON

Dr. Deepika R Gupta

Dear Recruiters, Faculty & Students,

The Career Development Cell of the Indian Institute of Management Bodh Gaya is pleased to announce that for the largest ever batch intake of 462 students across its 3 full-time residential programs, MBA, MBA-DBM (Digital Business Management), and MBA-HHM (Hospital and Healthcare Management), 418 students are successfully placed against the 424 eligible participants comprising the batch of 36 percent experienced and 64 percent freshers.

In line with the graduating batch of MBA-09 that has 265 candidates placed against 269 participants, the inaugural batch of MBA - Digital Business Management (MBA-DBM) and MBA - Hospital and Healthcare Management (MBA-HHM) have achieved outstanding placement results with 87 MBA-DBM students placed against 87 participants and 66 MBA-HHM students placed against 68 participants setting a strong foundation for future success. These numbers re-emphasize and strengthens our industry partners' conviction and confidence in the newly launched specialized post graduate programs and addresses the rising global manpower demands in the field of Digital Business and the fast-growing healthcare sector.

The graduating students have secured roles across a broad spectrum of industries, including Banking, Financial Services, and Insurance (BFSI), Consulting, IT & Analytics, E-commerce, FMCG, Manufacturing, Healthcare, and Public Sector Enterprises. The diversity in placements highlights the institute's capability to groom professionals who can seamlessly integrate into and excel in multifaceted business environments.

The current placement season witnessed participation by more than 200 + recruiters (85+ Legacy and 105+ New recruiters), marking the highest recruitment participation in the Institute's history.

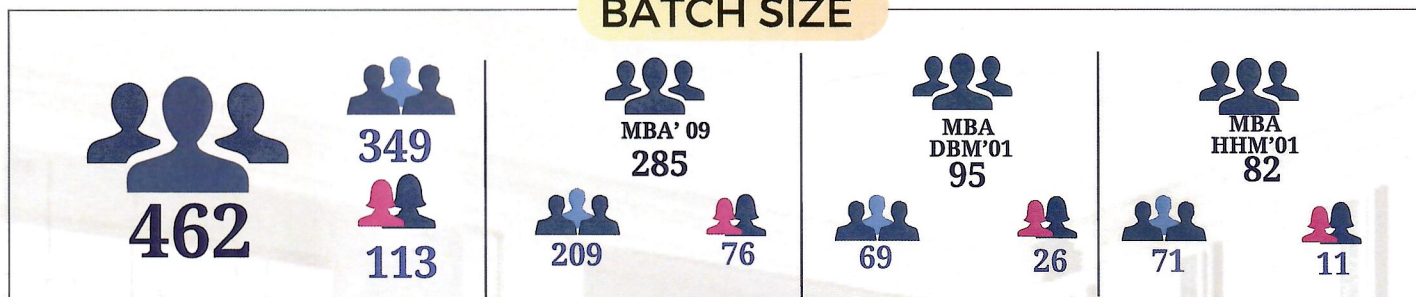

The Institute is focused on fostering long-standing, propitious relationships with its recruiters, and we are certain that this success will only strengthen these associations with valuable experience.

I congratulate the MBA, MBA-DBM, and MBA-HHM Batch of 2023-25 for showcasing their remarkable academic and non-scholastic distinctions. On behalf of the Institute, I further express my gratitude to all the legacy and new recruiters for their continuous support and trust in our institute. Together, we strive to nurture future leaders and contribute to the growth and development of the Indian business ecosystem.

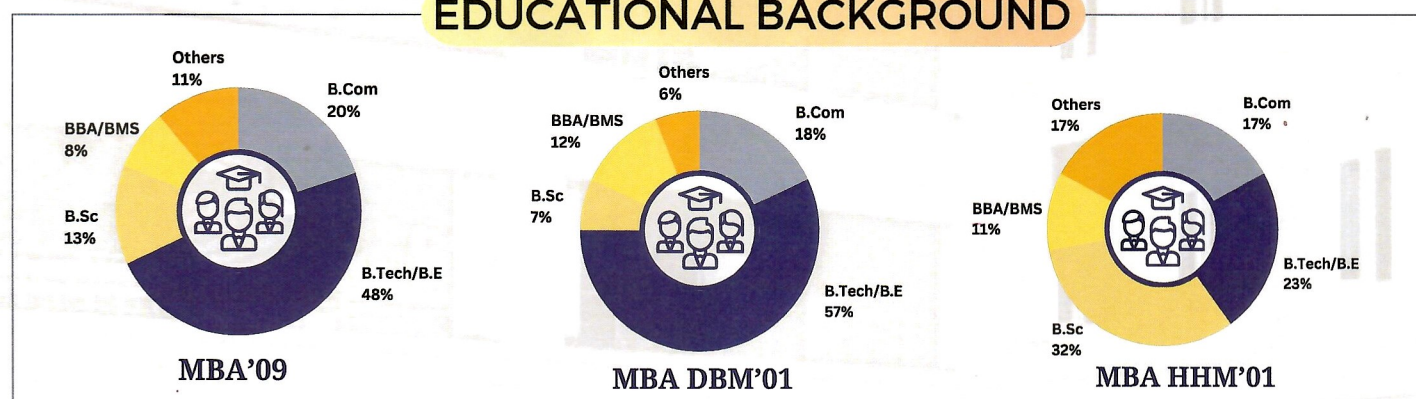

Warm regards,
Dr. Deepika R Gupta
Chairperson, Career Development Cell
Indian Institute of Management, Bodh Gaya
