IIM BODH GAYA

AICTE-QIP PG CERTIFICATE PROGRAMME IN
LEADERSHIP, ANALYTICS & PUBLIC POLICY

COURSE OFFERED BY IIM BODH GAYA

For the faculty members of AICTE accredited institutions only

ABOUT IIM BODH GAYA

Established in 2015 under the Ministry of Education, IIM Bodh Gaya has quickly grown into a prominent institution within the IIM ecosystem. The institute focuses on developing socially responsible and analytically strong leaders through a rigorous, practice-oriented curriculum enriched with case-based learning, live projects, industry interaction, and experiential modules. Its commitment to research excellence is reflected in faculty publications in top ABDC and Scopus-indexed journals, with several faculty members ranked among the **top 2% of scientists globally**.

IIM Bodh Gaya offers a diverse portfolio of programmes, including the **MBA, MBA in Hospital and Healthcare Management, MBA in Digital Business Management, the Integrated Programme in Management (IPM),** and **the Fellow Programme in Management (FPM)**. Its state-of-the-art permanent campus— inaugurated by the Hon'ble Prime Minister in February 2024— blends modern infrastructure with classical design, drawing inspiration from Bodh Gaya's historic legacy and the UNESCO World Heritage Mahabodhi Temple.

ABOUT THE PROGRAMME

The AICTE–QIP PG Certificate Programme (2026–27) is a flagship national initiative **sponsored by AICTE and conducted by IIM Bodh Gaya**, aimed at upskilling faculty from AICTE-approved institutions in emerging areas of Engineering and Management, including AI, Data Science, FinTech, Sustainability, Public Policy, Industry 4.0, and Climate Finance. Offered in a **six-month hybrid** format with **200 hours of learning and two mandatory on-campus residential modules**, the rigorous **18-credit curriculum integrates theory, lab work, applied projects, and an industry-linked capstone**. Open to full-time faculty with at least three years of teaching experience across Engineering, Computer Science, Applied Sciences, and Management, the **fully sponsored programme** ensures equitable access to advanced professional development and plays a strategic role in strengthening India's higher education ecosystem by equipping educators with future-ready skills.

Note:
This programme is open for the faculty members of AICTE accredited institutions only.

PROGRAMME STRUCTURE

- **Core 1 – AI, Analytics & Digital Tools for Management**
Business analytics, data-driven decision-making, Python, machine learning, and visualization tools for managerial leadership.
- **Domain Core – Leadership in the AI, VUCA & BANI World**
Case-based leadership development for managing uncertainty, complexity, and ethical decision-making.
- **Core 2 – Business Analytics & Machine Learning with Python**
Applied analytics for performance management, sustainability measurement, and strategic decision-making.
- **Domain Specialization – Public Policy, Governance & Regulatory Compliance**
Frameworks on environmental policy, CSR laws, SEBI-ESG compliance, carbon markets, and public–private governance for sustainability.
- **Capstone Project**
Industry-linked, applied project integrating leadership, analytics, and public policy.

FEE & FINANCIAL SUPPORT

- **Tuition Fee: No tuition fee** for participants under AICTE-QIP sponsorship
- **Refundable Caution Deposit:** payable after selection to confirm the seat (as per AICTE process)
- Travel/stay and other norms as per **AICTE-QIP**
