

GLOGIFT 24

Twenty Fourth Global Conference
on Flexible Systems Management

Theme: “Flexible Strategies
and Management Practices for
a Sustainable Future”

Date: April 5-7, 2024

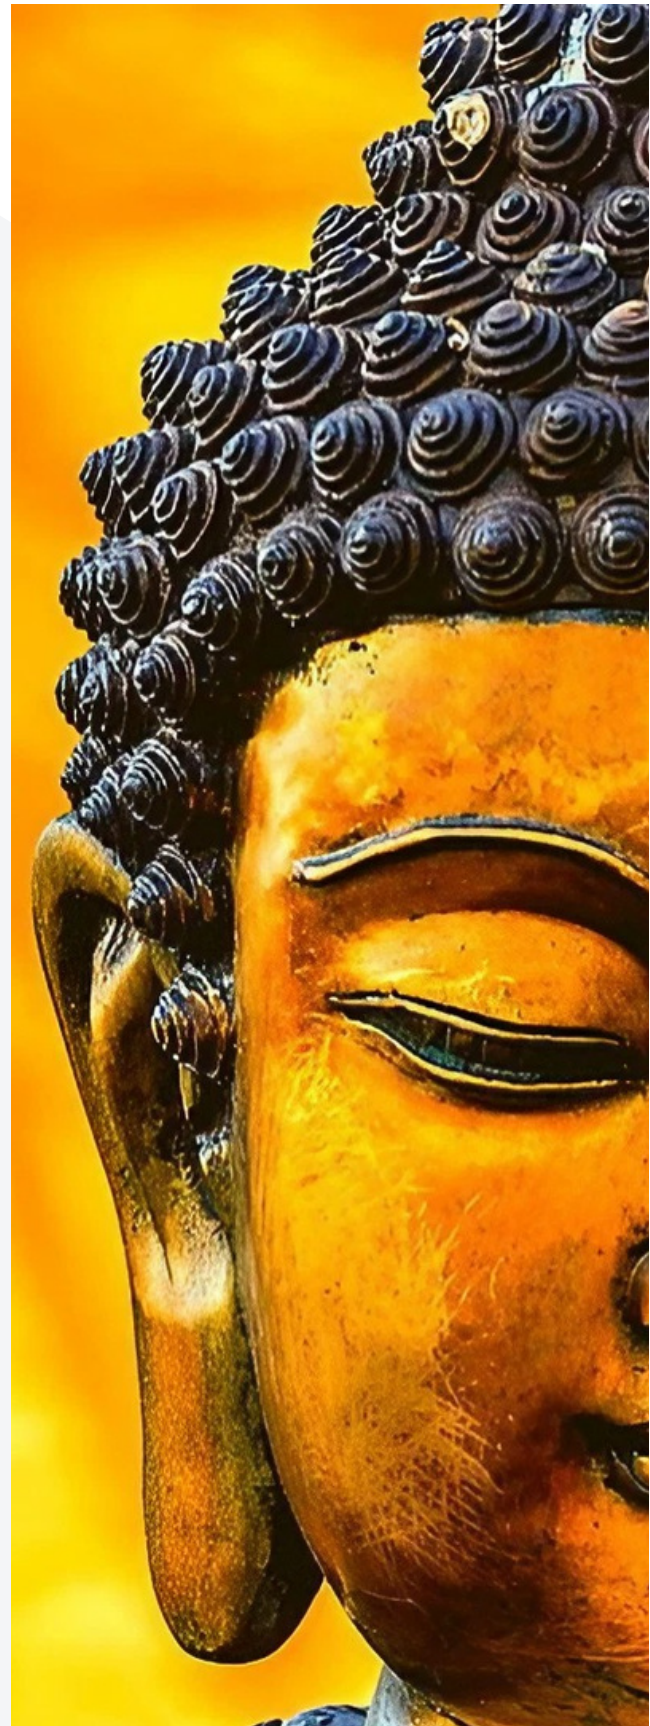

**VENUE: Indian Institute of Management
Bodh Gaya, India**

■ ABOUT GIFT

The faculty of the Department of Management Studies of IIT Delhi took the initiative to establish GIFT - the Global Institute of Flexible Systems Management - as a professional body to confront the challenges of the changing business environment with the help of the active participation of individual and corporate members. It publishes professional publications, holds annual Global Conferences and Seminars, and engages in a wide range of academic research and developmental initiatives. GIFT aims to provide a platform for researchers and practitioners to showcase their ideas grounded in proper research in order to promote and integrate ideas like sustainability in a business environment.

■ IIM BODH GAYA

Situated in the Land of Enlightenment, the Indian Institute of Management, Bodh Gaya, is an autonomous institute fostering a conducive environment for management education. Since its inception in 2015, its focus has always revolved around sustainable development and social responsibility. The institute has organized and engaged with several events, like IIM BG Green Campus Project and IIM BG Social Responsibility Cell, to contribute to a greater commitment to sustainable development and social responsibility.

■ ABOUT BODH GAYA

Bodh Gaya, the Land of Enlightenment, is situated in the Gaya district of Bihar. Known for its rich historical values, the land has been a constant tourist attraction for decades. The well-renowned Mahabodhi temple, situated in the heart of Bodh Gaya, is a UNESCO World Heritage Site. It is famous as the place where Gautama Buddha is said to have attained enlightenment under the Bodhi Tree. The temple draws millions of Buddhist pilgrims, making the place very diverse. It is imbued with a sense of reverence and spirituality catering to the diverse Buddhist practitioners.

■ GLOGIFT 2024

GLOGIFT '24 is the twenty-fourth annual conference of the GIFT Society. The theme for the conference is "Flexible Strategies and Management Practices for a Sustainable Future." The conference aims to provide a forum for practitioners, policymakers, teachers, researchers, and students from around the world to share their practical experiences, knowledge, and insights in the development, formulation, and implementation of strategies and models for flexible enterprises to meet the changing demands of the global business environment. The conference's primary objective is to create a knowledge-sharing platform through disseminating research and experiential findings, including empirical studies, qualitative modeling, case studies, new concepts, and state-of-the-art studies.
