STUDENT EXCHANGE PROGRAM - TESTIMONIALS

Praveen Kumar Burla
PGP 07
Alba Graduate Business School, Greece

"My exchange program's academic sessions were participatory and not student-teacher games! Your comments are considered and discussed. I've also observed timeliness and professionalism. They held themselves accountable for any failures during the endeavor, and by nature, they focused on functionality. They ensure every opinion is heard and considered when creating solutions."

Siva Harish
PGP 07
ESC Clermont Business School, France

"The four-month student exchange in France was a wonderful personal and intellectual growth experience. Interacting with varied teachers and students and learning French culture and pedagogy gave me worldwide exposure. The programme was intellectually enriching and allowed me to travel to 10 European countries, see beautiful regions, and enjoy the rich history. Learning French and meeting new people were highlights of this memorable vacation."

Deepshika Agarwal
PGP 07
Montpellier Business School, France

"It gave me cross-cultural communication, flexibility, and a worldwide business perspective, making me more well-rounded. It also sparked my lifelong passion of study and dedication to greatness.
