

INTERNATIONAL FDP ON ACADEMIC LEADERSHIP

At the Land of Enlightenment

PROGRAM
DATE _____

02-06

DECEMBER,
2024

BACKGROUND

The higher education system is facing a lot of opportunities and challenges globally. Asian education institutions now will start facing competition from foreign universities as they establish campuses in Asia . In this rapidly evolving landscape, it is important to develop leadership in academic institutions in Asian countries to create an environment to foster innovation, excellence and holistic development. The service performance of any academic institution is deeply anchored on the faculty member's capabilities. Hence, capacity building of teaching faculty needs to be prioritized in educational institutions. Developing leadership skills among faculty members who could be future leaders of institutions is a need of the hour. With this objective, **International Faculty Development Program(FDP) on Academic leadership for Asian countries** is designed to equip faculty members from education institutions in Asian countries with the necessary skills and competencies to excel in both current and future leadership roles. The programme focuses on developing technical, managerial, and interpersonal skills essential for effective leadership in shaping the education landscape for future generations. **The programme will be useful for aspiring faculty members who are interested in taking leadership roles preferably with 3 years of experience.** This programme will also be beneficial for entrepreneurs who are into the business of education.

IIM BODH GAYA

Situated in the Land of Enlightenment Bodh Gaya, the Indian Institute of Management Bodh Gaya (IIM Bodh Gaya), affectionately known as #EnlighteningIIM, stands as a modern epitome of profound knowledge and academic excellence. This prestigious institution is not just geographically, but also spiritually and academically, rooted in the land of Nalanda. IIM Bodh Gaya was founded in 2015 with a vision to create socially responsible mindful leaders under the Ministry of Education of India at the land of enlightenment: Bodh Gaya. The first batch started with 30 students with only one flagship PGP program in 2015-16. At present, it has more than 1,400 students across five long duration residential programmes which include representation from 293 cities, 26 states across India and abroad which makes us among the top five amongst IIM's in terms of students enrolment.

IIM Bodh Gaya Core Values are Responsibility, Honesty and Integrity, Life-long Learning, and Mindfulness. The permanent campus of IIM Bodh Gaya Phase 1 has been constructed over an area of 60,378 square meters. IIM Bodh Gaya catalyses internationalization, facilitating the bilateral flow of knowledge and values through exchange programs, faculty engagements, and research tie-ups through partnerships with 37 business schools and universities spread across the 05 continents.
