About IIM Bodh Gaya

Established in 2015 by the Ministry of Education, the Indian Institute of Management Bodh Gaya represents the modern evolution of India's premier management education system. It upholds the prestigious IIM legacy while nurturing socially responsible managers and emotionally mature leaders through its distinctive philosophy of mindful leadership, earning its identity as "The Enlightening IIM."

Over the years, IIM Bodh Gaya has developed into a vibrant residential campus with a diverse student community enrolled across its flagship Master of Business Administration (MBA), MBA in Digital Business & AI (DBAI), MBA in Hospital & Healthcare Management (HHM), the five-year Integrated Programme in Management (IPM), and Ph.D. in Management. Its growing academic reputation reflects a commitment to innovation, excellence, and holistic development.

A significant milestone in the institute's journey is its achievement of AACSB International accreditation in July 2026, making it the sixth IIM in India to receive this prestigious recognition. AACSB accreditation signifies a commitment to globally benchmarked standards in business education, academic quality, research, and continuous improvement. This achievement strengthens IIM Bodh Gaya's international standing and reinforces its dedication to delivering high-quality management education.

The institute's academic framework combines contemporary management concepts with practical exposure and industry-oriented learning. Case studies, live projects, corporate interactions, and research initiatives enable students to develop analytical thinking, problem-solving abilities, and leadership skills. Through its integrated programmes and specialised courses, IIM Bodh Gaya prepares learners to navigate the evolving demands of the business world.

Beyond conventional classroom teaching, the institute emphasises experiential learning, faculty mentorship, and research-driven pedagogy. Students benefit from interactions with industry professionals, collaborative projects, and opportunities to explore emerging business trends. Its faculty members contribute to academic research and management thought, helping students connect theoretical knowledge with real-world applications.

Internationalisation remains an important part of the institute's vision. Partnerships with reputed institutions across Europe, Asia, Latin America, and other regions create opportunities for student exchanges, research collaborations, and cross-cultural learning. Combined with its AACSB accreditation, these initiatives strengthen global engagement and help prepare graduates for careers in diverse domestic and international organisations.

The identity of IIM Bodh Gaya is also deeply connected to its historic location. Situated near the sacred Mahabodhi Temple, a UNESCO World Heritage Site, and the ancient centres of learning Nalanda and Vikramashila, the institute draws inspiration from a rich tradition of knowledge and enlightenment. This unique setting complements its modern academic environment, fostering mindfulness, ethical decision-making, and a global perspective while nurturing the next generation of socially conscious, globally minded leaders.

Our Mindful Journey - Vision, Mission, and Core values

Vision
To be a globally recognised management school for developing socially responsible and mindful business leaders.

Mission
To develop mindful business leaders with social responsibility and global perspective through academic excellence in learning practices and research.

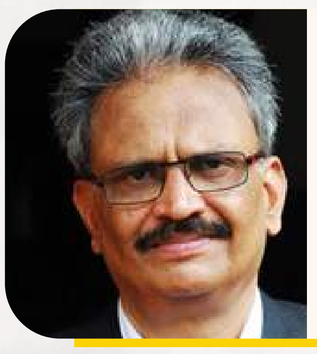

Core Values

- **Mindfulness:** We cultivate focused awareness of the present moment with purpose and non-judgment, fostering clarity, compassion, and thoughtful action.
- **Leadership:** We lead with authenticity, integrity, and transparency to build trust, inspire commitment, and drive success aligned with organizational goals.
- **Social Responsibility:** We practise ethical standards, community engagements, and foster a positive impact on society and environment.
- **Sustainability:** We work towards a sustainable future ensuring the long-term wellbeing, economic viability, social equity, and environmental protection for both the planet and its inhabitants.
- **Life-long Learning:** We promote a culture of continuous learning by embracing curiosity, adapting to change, and encouraging the pursuit of knowledge through flexibility and innovation.

Culture

- **A Force for Good:** We think about the world we inhabit. Our thinking is free and genuine. We identify business as force that can shape a sustainable and just planet. We thus, look to balance financial, societal and ecological concerns.
- **Diversity:** We believe in diversity of thought and innovation. We have a team of diverse and dedicated faculty and students who are the drivers of cognition and research.
- **Collaboration:** We collaborate to innovate and create. We develop and intellectual approach through team effort. We shape the future and overcome challenges by looking out for each other.

Quarterly Newsletter
Volume: 7 Issue: 3

Director's Note

Dr. Vinita S. Sahay

The July–September quarter of 2026 has been a period of meaningful growth and vibrant engagement for IIM Bodh Gaya, marked by institutional milestones, capacity-building initiatives, academic achievements, and a rich tapestry of campus experiences. As we continue our journey towards building a centre of managerial excellence, this quarter reflected our commitment to excellence that extends beyond the classroom into society and the wider community.

A defining milestone of the quarter was IIM Bodh Gaya earning AACSB International accreditation, becoming the sixth among the 22 IIMs in India to receive this recognition. This achievement is a testament to the collective efforts of our faculty, staff, students, leadership, and stakeholders. It marks an important step in strengthening our global academic engagement, research collaborations, and international outlook.

Our commitment to nation-building and capacity development continued through a wide range of Management Development Programmes. During the quarter, the Institute engaged with the Directorate of Industrial Development, Government of Bihar, through CMUY and RAMP programmes supporting micro-entrepreneurs. We also conducted NFLP programmes for faculty members under the Ministry of Education and programmes for officers of the Bihar Police Academy. These initiatives reaffirm our belief that management education can contribute meaningfully to effective governance, institutional capability, and inclusive development.

The quarter also marked the 11th Foundation Day of IIM Bodh Gaya and welcomed the IPM 06 cohort to our academic community. These occasions provided opportunities to celebrate our institutional journey while looking ahead with renewed aspirations.

Campus life remained equally vibrant. Independence Day, Estovia 5.0, Olanjali 3.0, Parijat 3.0, and Gajotsav brought our community together through culture, creativity, celebration, and shared experiences. These occasions reminded us that the spirit of an institution is shaped not only by academic pursuits but also by the relationships and memories created beyond the classroom. Our focus on mindfulness and well-being continued through Samatvam's Yoga and Meditation sessions and the MANAH workshop, which encouraged conversations around self-doubt, transition, belonging, and personal well-being.

The Institute's commitment to social responsibility was further reflected through financial literacy initiatives across Bihar and the Blood Donation Drive, which witnessed participation from more than 150 members of the IIM Bodh Gaya community. The achievements of our students and faculty across research, academics, case competitions, sports, arts, and professional pursuits added further distinction to the quarter. Each accomplishment reflects the curiosity, perseverance, and diverse talent that define our community.

As we conclude this quarter, I am reminded that our journey is shaped by the convergence of knowledge, purpose, culture, and community. Together, we continue to create an environment where excellence is pursued with responsibility, leadership is grounded in integrity, and growth remains guided by mindfulness.

Grounding Excellence in Purpose: AACSB Accreditation, Cultural Vibrancy, and Institutional Growth

The July–September quarter at IIM Bodh Gaya unfolded as a vibrant chapter of institutional growth, achievement, and community engagement. The quarter was marked by the Institute earning AACSB International accreditation, becoming the sixth among the 22 IIMs in India to receive this recognition, reaffirming its continuing journey towards academic excellence and global engagement. The Institute's commitment to extending management education beyond the classroom was reflected through a wide range of Management Development Programmes involving government officials, faculty members, police officers, and micro-entrepreneurs. Financial literacy initiatives across Bihar further strengthened this outreach, while the 11th Foundation Day provided an opportunity to reflect on the Institute's journey and achievements. The arrival of the IPM 06 cohort brought fresh aspirations and energy to the campus, adding another dimension to the quarter's academic vibrancy.

Beyond academics and institutional initiatives, the quarter captured the diverse spirit of campus life through celebrations, creativity, well-being, and social responsibility. Independence Day, Estovia 5.0, Olanjali 3.0, Parijat 3.0, and Gajotsav brought the community together through culture, traditions, performances, and shared experiences. Samatvam's Yoga and Meditation sessions and the MANAH workshop created spaces for mindfulness, reflection, and conversations around transition and belonging. The quarter also witnessed meaningful community engagement through the Blood Donation Drive and participation in *Paint the City*, connecting students with the cultural heritage of Gaya. Alongside these activities, achievements by students and faculty across research, academics, case competitions, sports, arts, and professional pursuits added further distinction to the quarter. Together, these experiences reflect the essence of IIM Bodh Gaya—a community where knowledge meets purpose, achievement meets responsibility, and growth remains grounded in mindfulness, excellence, and integrity.

MDP Events

NFLP 20

As part of its continuing faculty development initiatives, IIM Bodh Gaya conducted NFLP 20 in collaboration with the MMTTP, Ministry of Education, Government of India, from 13 to 17 July 2026. Conducted in offline mode, the programme brought together 34 faculty members, providing a platform for professional learning and development within the academic community.

CMUY B-15

Continuing its collaboration with the Directorate of Industrial Development, Government of Bihar, IIM Bodh Gaya conducted CMUY B-15 from 27 July to 1 August 2026. The offline programme was attended by 91 micro-entrepreneurs from underprivileged backgrounds, further extending the Institute's engagement with entrepreneurship-focused capacity-building initiatives.

RAMP B-23

IIM Bodh Gaya conducted the RAMP initiative in collaboration with the Directorate of Industrial Development, Government of Bihar, during August 2026. RAMP B-23, conducted from 5 to 7 August 2026, brought together 34 micro-entrepreneurs from underprivileged backgrounds

CMUY B-13

IIM Bodh Gaya conducted CMUY B-13, a Management Development Programme organised in collaboration with the Directorate of Industrial Development, Government of Bihar, from 6 to 11 July 2026. The programme was conducted in offline mode and brought together 83 micro-entrepreneurs from underprivileged backgrounds. The programme formed part of the Institute's continuing efforts to support capacity building and professional development among emerging entrepreneurs and strengthen opportunities for inclusive economic development.

NFLP 21

IIM Bodh Gaya continued its faculty-oriented development programmes with NFLP 21, conducted in collaboration with the MMTTP, Ministry of Education, Government of India, from 3 to 7 August 2026. The offline programme brought together 37 faculty members, contributing to the Institute's ongoing efforts towards professional development and capacity building within the higher education ecosystem.

CMUY B-14

The Institute conducted CMUY B-14 from 20 to 25 July 2026 in collaboration with the Directorate of Industrial Development, Government of Bihar. The offline programme brought together 109 micro-entrepreneurs from underprivileged backgrounds. With one of the largest participant groups among the quarter's MDPs, the programme reflected the Institute's continued engagement with initiatives focused on supporting micro-entrepreneurs and strengthening their professional capabilities.

CMUY B-16

The Institute conducted CMUY B-16 from 10 to 16 August 2026 in collaboration with the Directorate of IndustrialDevelopment, Government of Bihar. The offline programme brought together 97 micro-entrepreneurs from underprivileged backgrounds, continuing the series of CMUY programmes undertaken by IIM Bodh Gaya during the quarter.

RAMP B-24

RAMP B-24, conducted from 5 to 7 August 2026, brought together 34 micro-entrepreneurs from underprivileged backgrounds. The programme contributed to the Institute's continued engagement with capacity-building initiatives aimed at supporting micro-entrepreneurs from underprivileged backgrounds.

NFLP 22

The Institute conducted NFLP 22 in collaboration with the MMTTP, Ministry of Education, Government of India, from 18 to 22 August 2026. The five-day offline programme brought together 36 faculty members, continuing IIM Bodh Gaya's engagement in faculty development and professional learning initiatives.

CMUY B-17

The Institute continued its collaboration with the Directorate of Industrial Development, Government of Bihar, through CMUY B-17, conducted from 7 to 12 September 2026.
The offline programme brought together 50 micro-entrepreneurs from underprivileged backgrounds, further contributing to the Institute's continuing efforts in entrepreneurship-oriented capacity building.

Dy Sp Batch 01

IIM Bodh Gaya extended its executive education initiatives to law-enforcement professionals through Dy Sp Batch 01, conducted in collaboration with the Bihar Police Academy from 17 to 21 August 2026. The offline programme brought together 36 officers, providing a structured platform for professional development and capacity building among members of the police administration.

RAMP B-25

IIM Bodh Gaya conducted RAMP B-25 from 16 to 18 September 2026 in collaboration with the Directorate of Industrial Development, Government of Bihar. The three-day offline programme brought together 47 micro-entrepreneurs from underprivileged backgrounds, continuing the Institute's engagement with capacity-building programmes under the RAMP initiative.

RAMP B-26

Alongside RAMP B-25, the Institute conducted RAMP B-26 from 16 to 18 September 2026. The programme, organised in collaboration with the Directorate of Industrial Development, Government of Bihar, was attended by 48 micro-entrepreneurs from underprivileged backgrounds.
The programme further strengthened the quarter's focus on inclusive entrepreneurship and professional capacity building.

NFLP 23

IIM Bodh Gaya conducted NFLP 23 from 1 to 5 September 2026 in collaboration with the MMTTP, Ministry of Education, Government of India. The offline programme engaged 40 faculty members, adding to the Institute's series of faculty development programmes conducted during the quarter.

Dy Sp Batch 02

Following the first Deputy Superintendent batch, IIM Bodh Gaya conducted Dy Sp Batch 02 in collaboration with the Bihar Police Academy from 24 to 28 August 2026. The programme was attended by 36 officers and formed part of the Institute's continuing executive education engagement with the Bihar Police Academy.

Dy Sp Batch 03

The Institute continued its engagement with the Bihar Police Academy through Dy Sp Batch 03, conducted from 31 August to 4 September 2026. The offline programme brought together another cohort of 36 officers, further extending the Institute's capacity-building initiatives for professionals in public administration and law enforcement.

AMFI Financial Literacy Session & SEBI Investor Awareness Test

Promoting financial literacy and informed investment decisions, the Student Affairs Office (SAO) at IIM Bodh Gaya organised the AMFI Financial Literacy Session and SEBI Investor Awareness Test (SIAT) on 25 July 2026. The initiative aimed to equip students with essential financial knowledge and develop a better understanding of investment opportunities and investor protection.

The session covered the fundamentals of financial planning, mutual funds, and investor awareness, helping participants understand the importance of financial discipline, informed decision-making, and responsible investing. The programme featured a 45-minute interactive learning session, followed by a 30-minute online assessment, with a total duration of approximately 1.5 hours.

Students who successfully qualified the assessment were eligible to receive an official SEBI Investor Awareness Certificate under the SEBI Investor Awareness Programme, recognising their understanding of key financial concepts and investor awareness.

Through this initiative, SAO reaffirmed its commitment to fostering financial awareness among students, empowering them with practical knowledge that extends beyond the classroom and prepares them to make informed financial decisions in their personal and professional lives.

Financial Literacy Initiatives: Empowering Youth Across Bihar

IIM Bodh Gaya, under its MoU with the Association of Mutual Funds in India (AMFI), continued its financial literacy initiative aimed at empowering young minds across Bihar. The programme seeks to develop awareness about financial choices, risks, opportunities, and long-term financial responsibility.

A recent session was conducted at Government Engineering College, Bhojpur (Ara) on 30 July 2026, with more than 500 students participating. The session covered personal finance, mutual funds, SIPs, banking networks, securities markets, government investment schemes, and SEBI investor awareness initiatives.

The broader initiative has reached 6,500+ students across all 38 districts of Bihar, reflecting IIM Bodh Gaya's continued efforts to take financial education beyond the campus and contribute to informed financial decision-making among young people.

Speak Up for a TB-Free India – Extempore Challenge

As India approached its 80th Independence Day, the Communication Club organised "Speak Up for a TB-Free India", an Extempore Challenge centred on the theme of creating awareness for a TB-free India.

The event provided participants with an opportunity to express their thoughts spontaneously, with only two minutes to prepare and two minutes to speak. Beyond testing public-speaking abilities, the initiative encouraged students to think critically, communicate confidently, and articulate their perspectives under pressure. Certificates were awarded to participants, with recognition for the Best Speaker and Runner-Up.

MANAH – Workshop 01: Do I Belong Here?

IIM Bodh Gaya introduced MANAH, a series of capacity-building workshops focused on helping students develop greater awareness, practical skills, and healthier ways of navigating academic and personal experiences.

The first workshop, "Do I Belong Here? – Navigating Self-Doubt, Transition & Belonging at IIM," addressed some of the challenges that students may encounter while adapting to a new academic environment. The workshop explored transition and adjustment, self-doubt and imposter feelings, healthier inner dialogue, practical approaches to well-being, and ways of seeking support when required.

Tarang – The Jamming Fiesta

Tarang – The Jamming Fiesta, organised by Samatvam – The Mindfulness Centre of IIM Bodh Gaya, brought music, enthusiasm, and a relaxed atmosphere to campus. The event was designed as a jamming session where students could come together for an evening filled with soulful music, spontaneous performances, and an enjoyable shared experience. Pasted text

Tarang brought students and faculty together through the universal language of music, welcoming everyone to sing, play instruments, clap along, or simply soak in the performances. This inclusive spirit ensured that everyone could join in at their own comfort level, adding to the vibrant and cheerful atmosphere of the evening.

Beyond the music, the event offered a refreshing escape from academic routines and an opportunity for students to bond in a relaxed, joyful setting. Through shared rhythms and spontaneous interactions, Tarang infused campus life with creativity and energy, reflecting Samatvam's commitment to nurturing well-being, togetherness, and meaningful connections.

Independence Day Celebrations

IIM Bodh Gaya came together on 15 August 2026 to celebrate India's 80th Independence Day, embracing the occasion with patriotism, unity, and a shared sense of national pride. Organised by the Student Affairs Committee (Government Events), the celebration brought the Institute community together to honour the spirit of freedom and the ideals that define the nation.

Independence Day is more than a commemoration of the past; it is a moment to reconnect with the values that shape India's future—freedom, responsibility, unity, and progress. At an institution committed to nurturing socially responsible and ethically grounded leaders, the occasion served as a reminder that the privileges of a free and democratic society come with a responsibility to contribute meaningfully to its growth.

The celebration unfolded in front of Uruvela, where students gathered in the morning to participate in the commemorative event. Adding a meaningful touch to the occasion, security guards and staff members were recognised and awarded for their small yet significant good deeds and contributions to the Institute. The AACSB faculty team was also felicitated for its valuable contribution towards achieving accreditation, celebrating the collective dedication that continues to strengthen the Institute's standing.

Addressing the gathering, Director Prof. Vinita Sahay remarked, "The right intention, supported by discipline and consistent effort, is essential for achieving meaningful and sustainable progress." Reflecting on the institute's journey, she added, "Over the past 11 years, IIM Bodh Gaya has evolved from a cohort of 30 students into an institution with growing national and global aspirations. Our journey ahead is driven by the spirit to 'Go Fly, Soar High '." She further encouraged students to create a positive impact wherever they go and contribute to the growth of the nation, institutions, and communities they become part of.

For students, Independence Day at the Institute extends beyond a ceremonial gathering. It offers a moment to look beyond academic pursuits and recognise the broader social purpose of education, leadership, and professional aspirations. The celebration thus strengthened the spirit of belonging, appreciation, and national consciousness, reaffirming the Institute community's commitment to shared responsibility and collective progress.

Olanjali 3.0: The Onam Celebration 2026

Olanjali 3.0 – The Onam Celebration 2026 brought the festive spirit of Onam to the IIM Bodh Gaya campus. Organised by the Cultural Committee, the annual celebration invited the entire batch to participate in the festivities and experience the cultural richness associated with Onam. Pasted text

The celebration provided students with an opportunity to come together and appreciate cultural traditions in a shared campus environment. Events such as Olanjali contribute to the cultural life of the institute by creating spaces where students from different backgrounds can participate in celebrations and experience traditions beyond their own. Olanjali 3.0 consequently became part of the vibrant cultural calendar of IIM Bodh Gaya. By bringing the student community together for an annual festive celebration, the event reinforced the importance of cultural participation, togetherness, and community spirit on campus.

National Sports Day 2026

National Sports Day 2026 was celebrated at IIM Bodh Gaya from 26 to 30 August 2026, with the Sports Committee bringing the campus alive with competitive spirit, energy, and enthusiasm. The celebrations encouraged students to actively participate in sports while creating an atmosphere of healthy competition and batch camaraderie.

The event provided a platform for students to compete, represent their respective batches, and showcase their sporting abilities. From intense on-ground contests to enthusiastic support from the sidelines, the celebrations captured the excitement that sports bring to campus life. The focus extended beyond simply winning, encouraging participation, team spirit, and engagement across the student community.

Adding to the sporting atmosphere was the spirit of batch rivalries, which brought an extra level of excitement to the celebrations. Whether students were competing on the court or cheering for their peers, National Sports Day 2026 created a lively environment centred around fitness, teamwork, competition, and community participation. The celebrations also included initiatives such as “Special Sundays on Cycle,” encouraging students to embrace physical activity in a more recreational and community-oriented way.

Pragman 4.0

Pragman 4.0, organised by the Student Regulatory Committee (SRC), was held as a fresher party for the new MBA batch. The event provided newly joined MBA students with an opportunity to step into their new campus environment through an informal and celebratory gathering.

For a new batch, such gatherings provide an important opportunity to move beyond formal introductions and develop informal connections. Pragman 4.0 created a setting where students could interact with their peers, socialise, and begin forming the relationships that would become part of their campus experience.

The event therefore served as more than just a celebration; it was also part of the process of welcoming the new MBA batch into the IIM Bodh Gaya community. Pragman 4.0 added a lively beginning to their campus journey and contributed to the sense of belonging among the newly joined students.

Ready to MOVE? Special Sundays on Cycle

As part of National Sports Day 2026, the Sports Committee introduced “Special Sundays on Cycle” as an initiative encouraging students to begin their Sunday with physical activity, fresh air, and community participation. The event promoted cycling as an enjoyable way to remain active while spending time with fellow members of the campus community.

The initiative presented fitness in a simple and accessible form. Rather than limiting physical activity to competitive sports, Special Sundays on Cycle encouraged students to incorporate movement into their weekend routine. Cycling also provided an opportunity to explore the campus environment while engaging in a shared activity.

The initiative complemented the broader celebrations surrounding National Sports Day and highlighted the importance of an active lifestyle. With its emphasis on movement, fresh air, and community participation, Special Sundays on Cycle added a refreshing element to campus life and encouraged students to make fitness a part of their routine.

Estovia 5.0

The vibrant cultural calendar of IIM Bodh Gaya was enriched with Estovia 5.0, organised by the Cultural Committee. The event reflected the Institute's commitment to creating opportunities for students to engage beyond academics and participate in the diverse cultural life of the campus.

Estovia 5.0 provided a platform for students to connect with peers, explore creative expression, and engage with the Institute's extracurricular environment. Bringing together individuals from diverse regions and backgrounds, the event celebrated the spirit of participation, inclusivity, and community.

The celebration also highlighted the Cultural Committee's continued efforts to enrich campus life through activities that encourage interaction, recreation, and collective experiences. For students navigating a demanding academic schedule, such occasions offer a refreshing opportunity to unwind and build lasting memories.

Estovia 5.0 reaffirmed that a fulfilling campus experience extends beyond academic achievements, embracing creativity, cultural diversity, and the bonds that make the IIM Bodh Gaya community vibrant.

11th Foundation Day Celebration of IIMBG

IIM Bodh Gaya marked its 11th Foundation Day on 31 August 2026, celebrating another important milestone in the Institute's journey. The occasion provided an opportunity for the IIM Bodh Gaya community to reflect on the Institute's growth, its evolving identity, and the collective efforts that have contributed to its development over the years.

A Foundation Day is more than a celebration of an institution's establishment. It is an opportunity to look back at the journey that has shaped the institution while also looking ahead towards the aspirations and possibilities that lie before it. For IIM Bodh Gaya, completing eleven years represents a period of continued institutional development and an expanding academic and student community.

Over the years, the Institute has evolved into a dynamic educational environment where students, faculty, staff, and other members of the community contribute to a shared institutional identity. The Foundation Day served as a moment to recognise this collective journey and the contributions that have helped shape the Institute.

The celebration also offered an opportunity to reflect on the values that form an important part of the IIM Bodh Gaya experience. Academic learning, professional development, student engagement, research, outreach, and community participation collectively contribute to the Institute's growing ecosystem.

For the student community, Foundation Day provides an opportunity to understand that their own academic journey forms part of a larger institutional story. Every incoming batch adds a new chapter to this story, while graduating students carry the identity and experiences of the Institute into their professional lives.

As IIM Bodh Gaya continues its journey, the 11th Foundation Day represents both a reflection on the past and a moment to look towards the future. It celebrates the institution not merely as a physical campus or academic organisation, but as a growing community shaped by the people who learn, teach, work, contribute, and grow within it.

IPM 06 Orientation

The beginning of a new academic journey was marked by the IPM 06 Orientation Programme at IIM Bodh Gaya, held from 31 August to 3 September 2026. The programme welcomed a new cohort into the Institute's Integrated Programme in Management, marking their first step towards life at IIM Bodh Gaya.

The orientation played an important role in helping students transition into a new academic environment characterised by greater responsibility, independence, and exposure to a diverse peer community. It marked the beginning of their association with the Institute and introduced them to the opportunities and expectations of management education.

Bringing together students from diverse backgrounds, the programme also marked the formation of a new academic community. As they begin building friendships and connections, students become part of a wider institutional ecosystem shaped by faculty, seniors, clubs, committees, and extracurricular activities.

The IPM 06 Orientation was more than the start of a new academic session; it marked the first chapter of a transformative journey filled with learning, exploration, personal growth, and shared experiences that will shape the students' academic and professional identities.

SEPTEMBER 2026

Parijat 3.0 - Janmashtami Celebration

The Cultural Committee organised Parijat 3.0, the annual Janmashtami celebration at IIM Bodh Gaya. The event brought the campus community together to celebrate the festival through a combination of traditional activities, cultural performances, and entertainment. The celebrations began with the Matki Decoration Competition at 4:00 PM, giving students an opportunity to participate creatively in the festivities. The evening programme commenced with Pooja at 7:00 PM, followed by cultural performances and fun games, creating a blend of tradition, creativity, and student participation. Pasted text
Parijat 3.0 provided a vibrant platform for students to experience Janmashtami together as a campus community. The combination of devotional elements, creative participation, performances, and games helped create a festive atmosphere while adding another memorable cultural experience to life at IIM Bodh Gaya.

Teachers' Day

The Teachers' Day Celebration was organised on 5 September 2026 to honour the mentors who inspire, guide, and shape students throughout their academic journey. The event was scheduled for 3:30 PM at the Niranjana Auditorium, bringing the campus community together to express appreciation for the contribution of teachers and mentors. Pasted text

The celebration carried a distinctive Retro Bollywood theme, adding a fun and nostalgic element to the occasion. Students were encouraged to embrace the theme through their attire, with the invitation capturing the spirit of the celebration through the idea: "DRESS RETRO. FEEL THE ERA. BE THE STAR!"

By combining gratitude with entertainment and creativity, the Teachers' Day celebration created an engaging campus experience. It provided students with an opportunity to recognise the role of their teachers while also participating in a lively themed celebration, making the occasion a memorable expression of appreciation and campus spirit.

Convergence 3.0

Convergence 3.0, organised under HHM Outreach, formed part of the outreach activities of IIM Bodh Gaya. The event reflected the institute's efforts to build connections beyond the conventional classroom environment and create opportunities for wider interaction and engagement.

The initiative highlighted the role of outreach in creating meaningful connections between the institute and the wider community. Such programmes provide opportunities for interaction beyond regular academic activities and support the broader objective of taking the institute's engagement and learning-oriented approach beyond the campus.

Convergence 3.0 therefore added to the outreach efforts of the HHM community and contributed to the wider engagement activities of IIM Bodh Gaya. The event represented the importance of collaboration, interaction, and community connection as integral elements of the institute's broader campus ecosystem.

Gajotsav - Ganesh Chaturthi

The campus of IIM Bodh Gaya came alive with devotion, colour, and festive spirit as the Cultural Committee hosted Gajotsav, the Institute's Ganesh Chaturthi celebration, from 14 to 18 September 2026. The five-day celebration brought together members of the campus community to mark the festival through a combination of traditional observances, cultural activities, and collective participation.

The arrival of Bappa transformed the campus atmosphere, with the celebrations featuring dhol beats, vibrant decorations, Aarti, Prasad, cultural performances, and festive activities. The occasion provided students with an opportunity to celebrate Ganesh Chaturthi together while experiencing the traditions and cultural practices associated with the festival.

Festivals at a residential institution such as IIM Bodh Gaya offer a unique opportunity to bring together students from different parts of the country. While students may come from varied cultural and regional backgrounds, celebrations such as Gajotsav create a common space for participation and shared experiences. The festival thus became an expression of both cultural tradition and campus community.

The five-day celebration also added a lively dimension to campus life. Away from the usual rhythm of lectures, assignments, presentations, and examinations, students had the opportunity to participate in a festive environment and engage with their peers. Such experiences contribute to the sense of community that is central to residential student life.

By bringing together religious traditions, cultural expression, and community participation, the celebration created an environment where students could celebrate together while appreciating the diversity of experiences represented within the Institute.

Gajotsav ultimately became more than a festival on the campus calendar. It was an occasion that brought people together through shared celebration, strengthened community bonds, and added another memorable chapter to the cultural life of IIM Bodh Gaya.

Gyanoydaya 6.0

Gyanoydaya 6.0 was organised as part of the outreach initiatives of IIM Bodh Gaya, reflecting the institute's efforts to extend learning and engagement beyond the boundaries of the campus. The initiative provided an opportunity to connect with the wider community and promote the spirit of knowledge-sharing and social engagement.

The event represented the importance of outreach in an educational institution, where learning is not limited to classrooms and academic discussions. Through initiatives such as Gyanoydaya, the institute encourages interaction with broader communities and creates opportunities for meaningful engagement beyond regular academic activities.

Gyanoydaya 6.0 therefore added to the institute's continuing outreach efforts and highlighted the importance of connecting education with society. The initiative reflected the broader values of engagement, awareness, and contribution that form an important part of the IIM Bodh Gaya community.

A Pulse of Compassion – Blood Donation Drive

Pragati, the CSR Committee of IIM Bodh Gaya, organised a Blood Donation Drive on 20 September 2026 at Dhanvantri, the Institute's medical services unit. Conducted in collaboration with Anugrah Narayan Magadh Medical College and Hospital (ANMMCH), Gaya, the initiative brought together students, faculty members, and non-teaching staff in support of voluntary blood donation and community healthcare.

The drive witnessed participation from over 150 members of the IIM Bodh Gaya community. A team of medical professionals from ANMMCH managed the process, ensuring systematic screening, safe donation procedures, and post-donation care.

The initiative builds on Pragati's continued efforts to promote voluntary blood donation at the Institute, following previous drives conducted in collaboration with AIIMS Patna and ANMMCH. The 2026 edition further strengthened IIM Bodh Gaya's commitment to social responsibility, community service, and collective well-being.

IIM Bodh Gaya Earns Prestigious AACSB International Accreditation

IIM Bodh Gaya achieved a significant milestone by earning international accreditation from AACSB International (AACSB), joining the globally recognised community of business schools committed to excellence in management education. With this achievement, the Institute became the 6th among India's 22 IIMs to receive AACSB accreditation.

The accomplishment reflects the Institute's commitment to international quality standards and continuous academic improvement. The journey included a visit by Mr. Prathap Das, AACSB South Asia Head, in August 2025, followed by a rigorous evaluation process and the final Peer Review Team visit in March 2026.

Established in 1916, AACSB International is one of the world's most recognised business education alliances. The accreditation highlights IIM Bodh Gaya's institutional progress and dedication to global standards of academic quality and continuous improvement.

This achievement reflects the collective efforts of the Institute's leadership, faculty, non-faculty staff, students, Board of Governors, and other stakeholders. Director Dr. Vinita S. Sahay acknowledged their contributions, describing the milestone as a testament to institutional maturity and the pursuit of excellence.

Beyond global recognition, the accreditation is expected to strengthen international research collaborations, dual-degree programmes, and student exchange opportunities across five continents, enhancing global exposure for students and faculty.

With this achievement, IIM Bodh Gaya takes another important step towards strengthening its international presence and advancing its vision of academic excellence and global engagement.

The milestone is particularly significant in the context of IIM Bodh Gaya's continuing growth. The Institute currently hosts more than 1,700 students across its long-duration residential programmes, including MBA, MBA in Digital Business & AI, MBA in Hospital & Healthcare Management, the five-year Integrated Programme in Management, PhD in Management, and an Executive MBA programme.

The achievement thus marks an important chapter in IIM Bodh Gaya's institutional journey. It represents the outcome of sustained efforts towards quality, international benchmarking, academic development, and institutional maturity, while also opening avenues for deeper global engagement in the years ahead.

Faculty and Student Achievements

Vaibhav Kamble – MBA

Successfully completed his internship during the quarter, gaining valuable exposure to a professional work environment. The experience marked an important step in his professional journey and provided an opportunity to translate academic learning into practical experience.

Harshit Kumar Chandel – MBA

Secured First Place in HOT BOX 2.0, a TQM Quiz, as a member of Team Les Quizerables. The achievement reflects his strong performance in a competitive knowledge-based platform and adds another accomplishment to the Institute's participation in academic competitions.

Ruchika Agarwal – PhD

Received the Best Research Paper Award in the Product, Service and Servitization Innovation in the AI Era track at the XLRI-AOM Doctoral Colloquium 2026. Her paper, "Minimalism as a Labelling Strategy: A Signalling Theory Perspective on Consumer Decision Making," highlights the relevance and quality of research emerging from the Institute's doctoral community.

Jvalit Buch – IPM

Successfully completed Visharad (Bachelor in Music) in Classical Tabla from Akhil Bharatiya Gandharva Mahavidyalaya Mandal, securing AIR 1. He also received seven awards and a cash prize of ₹5,500, showcasing his dedication to classical music and excellence beyond the academic domain.

Faculty and Student Achievements

Abhigyan – PhD

Participated in the ESG Conference at the University of Bath, UK, where he presented his research paper, "Allocating Responsibility: How Firms Distribute Corporate Social Responsibility Investments Across Competing Sectors." His participation reflects engagement with international academic platforms and contemporary discussions surrounding corporate social responsibility and sustainability.

Ahan Vincent Michael – MBA

Authored the research paper "Data-Driven Intelligence Framework for Sustainable Tidal Energy Preliminary Site Screening and Power Forecasting," which was published in the International Journal of Energy Research. The publication represents an important research achievement and contributes to academic work at the intersection of data-driven intelligence, renewable energy, and sustainability.

R. Lakshmigayathri – DBAI

Participated in and was selected for the Paint the City Competition as part of Pitrapaksh Mahasangam 2026, organised by the District Administration, Gaya. Her participation provided an opportunity to combine artistic expression with community engagement and contribute to the cultural environment of the city.

फल्गु के घाटों पर उकेरी लोक संस्कृति की अद्भुत झलक

पितृपक्ष के पूर्व आईआईएम के प्रतिभाशाली छात्रों के रंगों से जीवंत हुई गया धाम की पिंडवेदियां

जिला प्रशासन और सवार मिशन की रही सार्थक पहल

राष्ट्रीय खबर

गया : पितृ पक्ष मेलावास में आगामी 25 सितंबर से शुरू होने वाले पितृ पक्षमेला के आगमन से पूर्व, फल्गु के घाटों और गया जी की प्राचीन वेदियों में आध्यात्मिकता और लोक-संस्कृति का एक नया संगम देखने को मिला है। देश-विदेश से आने वाले तीर्थयात्रियों के स्वागत और इस धाम के वैभव को पुनर्जीवित करने के लिए, जिला प्रशासन के नेतृत्व में चल रहा हरित व विरासत अभियान अब धरातल पर जीवंत हो उठा है। फल्गु की रेतीली रेत और तटवर्ती घाटों के सार्वजनिक स्थानों पर इन समय कला और आस्था का संगम स्थल बन गया है। आईआईएम के युवा रचनाकारों ने अजा. लक्ष्मीकान्त्री, अंजलि सोनकाराई, सलीमा अर्पिता मंडल, काली देवदर्या, विश्वजीत्रे, त्रिपुर्ती मौर्य और इंद्रजीत सेन, दिलख मण्डल, सावरी, अलाय सिंह ने अपनी कलात्मक तूलिकाओं के स्पर्श से वेदियों पर इतिहास और संस्कृति को साकार उकेर दी है। इन तिथियों में गया जी का सनातन पौराणिक इतिहास, भगवान विष्णु के पवित्र पाद-चिह्न, रामायणकालीन प्रसंगवती प्रसंग, और शिवपुत्र की यह पुरातन परंपरा साकार हो उठी है, जिससे श्रद्धियों से पितरों को मुक्ति का मार्ग प्रशस्त होता रहा है। यह केवल दीवारों का कुसर नहीं, बल्कि आधुनिक पीढ़ी का अपनी प्राचीन जड़ों के प्रति कृतज्ञता प्रकाश है। इन चित्रित तिथों के माध्यम से बिलासक और बिहार की पारंपरिक लोककलाओं को मंच भी मिले और बिखर रही है। देखकर ये लेकर बिलासपुर मंदिर क्षेत्र, सीताकुंड, सावरी घाट और लाल घाट तक, पूरा मेला क्षेत्र एक विशाल और जीवंत कला-दीर्घा में तब्दील हो रहा है। इस सौंदर्य-बोध के साथ-साथ यह अभियान लोक-मेलावा का संवाहक भी बन गया है। इन कलाकृतियों के फलक पर ब्रह्मलोक तक-स्वरूप गया का संकलन, जल संरक्षण का संदेश और पर्यावरण की रक्षा के लिए विलुप्त-मुख प्लास्टिक के त्याग का आह्वान भी अंकित किया गया है। आगामी पितृपक्ष मेले में जब देश के कोने-कोने से लाखों तीर्थयात्री यहां की धरती पर पग रखेंगे, तो यह अलंकृत और चित्रमय वातावरण उनका न केवल आत्मीय स्वागत करेगा, बल्कि उन्हें उस सनातन प्रवाह से भी जोड़ेगा, जहां जल, संस्कृति और आस्था एक होकर बहते हैं। 'पिंड दे पितरें' अभियान में एक जिला प्रशासन सार्थ गया जना विभाग के, संयुक्त, प्रयास से इस अभियान को सही मिल रही है।

Faculty and Student Achievements

Aditi Yadav – MBA

Represented IIM Bodh Gaya in the Paint the City initiative organised by the Gaya District Administration as part of Pitripaksha Mahasangam 2026. Through cultural and heritage-inspired wall art, the initiative contributed to the beautification of public spaces while providing students an opportunity to engage with the region's cultural identity.

Indrasish Roy – MBA

Represented IIM Bodh Gaya in the Paint the City initiative in Gaya, contributing to wall paintings celebrating themes of Pitrapaksh, culture, faith, and art. His participation connected student creativity with a community-oriented cultural initiative and contributed to the artistic transformation of public spaces.

Rathod Pranav Bandu – MBA

Emerged as a National Finalist in PwC Case Competition Edition 8, securing a place among the Top 8 teams out of more than 5,000 teams across 32 campuses. The achievement reflects his participation in a highly competitive national-level business platform and brings recognition to IIM Bodh Gaya.

Anjali Khobragade – MBA

Represented IIM Bodh Gaya in the Paint the City initiative in Gaya, creating traditional art inspired by Bihar's culture. Her participation contributed to the beautification of public spaces while celebrating the cultural heritage and artistic traditions of the state.

Faculty and Student Achievements

Aastha Singh – MBA

Represented IIM Bodh Gaya at the Paint the City Competition organised by the Bihar Government. Her participation formed part of a wider cultural initiative that brought together creativity, community engagement, and representation of the Institute beyond the campus.

Kanishk Saraf – DBAI

Secured a Silver Medal in a state-level boxing tournament, marking a significant achievement in competitive sport. His performance reflects his participation at the state level and adds to the diverse sporting accomplishments of members of the IIM Bodh Gaya community.

Samiksha Nikalje – MBA

Participated in the government-initiated Paint the City programme in Bodh Gaya as part of the Bihar Cultural Heritage initiative. Through her contribution to painting and beautifying public walls, she helped portray Bihar's cultural heritage and traditions through artistic expression.

Manya Agarwal – MBA

Secured Second Position in Catalysis'T 2026, the Corporate Marketing Challenge organised by IIT Guwahati. The challenge involved developing data-driven market insights, strategic recommendations, and a go-to-market plan, providing a platform to demonstrate the application of marketing and strategic thinking to a practical business problem.

Faculty and Student Achievements

Baheej M – HHM

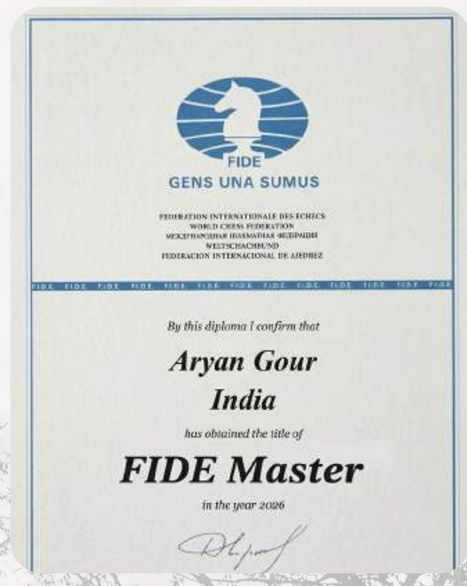

Successfully qualified the UGC NET examination as an Assistant Professor in Management, marking an important academic achievement. The accomplishment reflects his academic preparation and adds to the Institute's achievements in higher education and management scholarship.

Aadishesh Dhanank – MBA

Secured Third Position at Manthan 2.0, organised by the Entrepreneurship Cell. The achievement highlights his participation in an entrepreneurial platform and reflects the growing engagement of IIM Bodh Gaya students with business ideas, innovation, and entrepreneurship-oriented competitions.

Aryan Gour – MBA

Secured AIR 1 in the Krida Bharati Gyan Quiz, outperforming more than 2,28,000 participants. He was subsequently felicitated by the Deputy Chief Minister of Gujarat and Madhya Pradesh Minister Chetanya Kumar Kashyap, marking a significant achievement on a large-scale knowledge competition platform.Further added to his achievements by holding an international chess title conferred by FIDE. The recognition highlights his accomplishments in competitive chess and represents another dimension of his participation in pursuits beyond the conventional academic environment.

Faculty and Student Achievements

Sakshi – MBA

Participated in the Paint the City Competition, contributing to IIM Bodh Gaya's representation in the cultural and artistic initiative. Her participation provided an opportunity to engage with a community-oriented public art programme and contribute creatively beyond the Institute's campus.

Arkojyoti Chatterjee – IPM

Achieved a perfect score of 132/132 and the 100th percentile in DILR in JIPMAT 2026. The accomplishment represents an exceptional performance in Data Interpretation and Logical Reasoning and stands as a notable academic achievement by an IIM Bodh Gaya student.

Amisha Bhaktani – MBA

Secured an internship with ICICI during the quarter, providing an opportunity to gain professional exposure in the financial services sector. The internship represents an important step towards connecting academic learning with practical experience and professional development.

Rohit Sonawane – MBA

Completed a certification through the IP India Portal, adding a professional credential to his academic journey. The certification reflects his continued efforts towards developing additional knowledge and skills alongside his management education.

Faculty and Student Achievements

Vidushi Maurya – MBA

Represented IIM Bodh Gaya in the Paint the City initiative organised with the District Administration of Bodh Gaya. Her participation contributed to a community-oriented public art initiative and provided an opportunity to represent the Institute while engaging with the cultural environment of the region.

Dibya Sarkar – MBA

Participated in the Paint the City initiative organised by the Gaya Administration, which involved cleaning and beautifying the city through mythological wall paintings connected with Pitrapaksh. His participation reflected the contribution of IIM Bodh Gaya students towards community engagement, artistic expression, and cultural representation.

Akshaj Neelesh Kumar – IPM

Secured Second Position in Manthan 2.0 – Business Idea Challenge, organised by the Entrepreneurship Cell. The achievement highlights his participation in an entrepreneurial platform and reflects the growing culture of business innovation and idea development among students at IIM Bodh Gaya.

Title of Achievment :Naik and Rastogi Award for Excellence in Ph.D. Research
Type of Publication : Award

Journal/Conference/Publisher Name : Indian Institute of Technology Bombay

Arijit Maji, from the Information Technology Systems & Analytics area, received the Naik and Rastogi Award for Excellence in Ph.D. Research from the Indian Institute of Technology Bombay.
The award recognises his doctoral research excellence and was conferred under the Best PhD Thesis category.
The achievement highlights his contribution to high-quality doctoral research and reflects academic excellence in the field of Information Technology Systems and Analytics.

Shweta Bajpai

Assistant Professor

F&A Area

Title of Publication The Journey of Green Finance: A Bibliometric Review
Type of Publication :Paper

Journal/Conference/Publisher Name : International Journal of Economics and Accounting

This paper examines the growing body of research on green finance, highlighting its increasing importance in addressing sustainability and climate-related challenges. The study focuses on green investment and the evolving role of finance in supporting the transition towards sustainable development.
The research analyses 761 documents published across 220 peer-reviewed journals, indexed in Scopus and Web of Science, covering the period from 1997 to 2023. The study provides a comprehensive overview of the development and evolution of research in the green finance domain.
The review aims to identify the key directions and developments in green finance research while providing insights that can help understand the future trajectory of the field. The study is particularly relevant in the context of global efforts towards energy transition, emission reduction, and climate finance.

Prof. Bishal Dey Sarkar

Assistant Professor,
Management and Quantitative TechniquesAnalytics

Title of Publication: From Efficiency to Engagement: Leveraging Emerging Technologies for Sustainable Manufacturing Transformation
Type of Publication : Article

Journal/Conference/Publisher Name :Business Strategy and the Environment

This article examines how emerging technologies and sustainable practices are transforming the manufacturing sector, with a focus on improving operational efficiency and strengthening customer engagement. The study draws upon the Resource-Based View (RBV) and technology adoption frameworks to explore the relationship between technology, sustainability, and manufacturing performance.

The research employs Confirmatory Factor Analysis (CFA) and Structural Equation Modeling (SEM) to investigate the connections between technology adoption, sustainable practices, operational effectiveness, sustainable product development, and supply chain sustainability.

The findings highlight meaningful relationships between emerging technologies, sustainable practices, operational efficiency, and sustainable manufacturing performance. The study further demonstrates how technology-driven sustainability initiatives can contribute to improved customer engagement and satisfaction, offering valuable insights for manufacturing firms in developing their operational and innovation strategies.
